

## **911 Addressing**

*Help Us Find You!!!*

### **Why is it important?**

- Provides the accurate location of your home or business
- Allows police, fire, and EMS to locate you during an emergency
- Incorrect addresses could lead to a delay in emergency services

### **What should you do?**

- Have your 911 address displayed so that it is clearly visible from the road
- Numbers must be at least 3 inches in height, placed on, above, or to the side of the main entrance door
- Numbers must be reflective or in a color that is different than the primary structure
- If a building is more than 50' from the road, the number must be placed on a sign or post beside the driveway or sidewalk
