

Department: Utility Department

Job Title: Utility Mechanic-Public Works

Salary Grade: 8

Salary Range: \$25,105.60 - \$36,732.80

Hours Worked: Monday through Friday shift work with some weekends and holidays, as required

Type of Position: Full Time

Minimum Hiring Qualifications/Essential Job Functions: This position is performed under immediate supervision in our Public Works Department performing semi-skilled manual work installing, replacing and repairing water and sewer lines. Duties will include but not limited to: making line taps on high pressure water and sewer lines, repairing/replacing storm sewer pipe, storm water drainage structures, fire hydrants, valves, meter settings, manholes and vaults, conducting video inspections and smoke testing to detect inflow and infiltration problems in water and sewer lines, operating snow removal equipment, and responding to emergencies during and after normal work hours. This is a full-time position. Job Qualifications: applicants must possess VA driver's License, a Commercial Driver's License, a high school diploma or equivalent, ability to bend, stoop and lift items weighing 25 pounds or more. Applicants must be knowledgeable of and practice safe work habits. All prospective new hires will be subject to drug and alcohol testing during the hiring process and as required after employment. (Not a comprehensive list of all duties performed by all employees in this classification, only a representative summary of the primary duties and responsibilities.) Complete job description can be obtained from Jo Ann Myers at Town Hall.

Position is open until filled.
