George Sandridge, Community Coordinator at**

gtsandridge@altavistava.gov

Or call 434-369-5001 x 111

The Town of Altavista, Altavista On Track, and the Altavista Area Chamber of Commerce are pleased to announce their partnership for the annual Small Business Saturday on **November 28th** to support our independent business members in Altavista.

This year - **Shop Altavista** - is our tag line.

Shop Altavista is a day to celebrate the small businesses that help support each other. It is also a great way to begin the holiday shopping season. The goal of Shop Altavista is to have shoppers and businesses come together to shop locally and show their community pride. This will be a COVID-19 aware, socially distanced celebration of local business. Campbell and Broad Streets will be closed to cars to allow pedestrians to walk easily downtown. Town buses will be available to shuttle residents and visitors up and down Main Street and to Altavista Commons.

As a participating chamber member, you will be listed on a “passport” that shoppers will use to visit various establishments and be entered to win prizes on Shop Altavista day. Please note that those who are not chamber members will also benefit from this “passport” concept, too, as collectively, vendors who have tables set up can account for one of the destinations.

We hope that you will consider participation in **Shop Altavista** and help us to help you make this a successful holiday shopping season!

Local vendors may sign up to have a table outside at the event on November 28th. Local businesses wishing to participate in the **Shop Small Passport Program** and vendors who may wish to set up a table outside at the event are asked to fill out the registration form on the back of this page. If you have any questions, please contact George Sandridge, Community Coordinator, at 434-369-5001 x.111 or via email at gtsandridge@altavistava.gov.

SHOP ALTAVISTA
